Dear Mr. Oliner:

Thank you for sharing your due diligence of the State's own statutes and records with me. If you need copies of any documents lost, destroyed or archived please file a request with Anne Arundel County Circuit Court or Maryland's Special Appeals Court or even with Judge Bell at Maryland's Court of Appeals in addition to filings in the US District Court in Baltimore, Appeals Court in Richmond, and the U.S. Supreme Court, near here in Washington DC.

It is obvious you have much experience in Maryland's legal system; but, extremely naive by your report of findings. This case file occupies five 3" binders of case records hidden by Curran's henchmen in Anne Arundel County court Archives with extremely limited access.

A list of documents, in no particular order, are enclosed for your review and any attention you deem is deserved through lack of The State's response to U.S. Supreme Court acceptance on May 07, 2007.

Rest assured your response is timely on this *Fraud of The Court* by the defendant.

With due respect;

Gene Zarwell
